

NEW SWEET FRAME PACK AND BRAND NEW FREE PROGRAM AKVIS FRAMES 1.0!

June 23, 2015 — AKVIS announces the brand new AKVIS Frames software which is available free of charge, and the new frame collection Sweet Pack.

AKVIS offers a rich range of **theme packs of frames**; each is designed for a specific topic. These amazing ready to use frames are intended for those who are interested in high quality design picture decorations.

With the release of the new **Sweet Pack** frame collection, **21 themed packs** are now available! Among them, you will find special event sets (Christmas, Wedding, etc), four seasons sets, and many others.

The frame packs can only be used with the programs: **AKVIS Frames (New!)** and **AKVIS ArtSuite**.

The new **AKVIS Frames** program is available to everyone for free!

Using the program it's easy to decorate your photos with exclusive picture frames! Just place a photo into a frame and run image processing - the edges will be smoothed and hidden to fit the frame, and you will get a stylish framed picture.

[Download AKVIS Frames 1.0 for Windows and Mac!](#) It is distributed free of charge. To register the program just enter your email address in the Activation window.

The new **Sweet Pack** includes 100 hand painted frames of super quality, 50 horizontal and 50 vertical templates, two variants for each design. [You can look at the preview images of the new frames.](#)

Welcome to our Sweet Boutique! Add flavor to your images with AKVIS photo frames! You can use these tasty designs to prepare stupendous greeting cards, wedding and birthday party invitations. A portrait adorned with a delightful frame is the sweetest gift idea.

Colorful candy and dessert frames will make your photos delicious. Decorated with tempting chocolates, cookies, cakes, pies, donuts, muffins, cupcakes, brownies, macaroons, and waffles, the amazing frames will impress and inspire everyone who has a sweet tooth. You can feel like they melt in your mouth. Enjoy these yummy frames!

The AKVIS products run on Windows XP/Vista/Win 7/Win 8 and on Mac OS X 10.6-10.10.

The Frames 1.0 software is available for free; the price of the new frame pack is \$17. All 21 frame packs are available in the bundle at the discounted price 30% Off!

AKVIS (akvis.com) specializes in development of image processing software. Since the company's launch in 2004, it has released a number of successful products: standalone applications and Photoshop plugins for Windows and Mac.
