

PROVENCE FRAME COLLECTION: PASTORAL BEAUTY OF SOUTHERN FRANCE

May 3, 2017 — AKVIS announces the release of the brand new Provence pack that includes 100 romantic and exquisite picture frames providing an artful balance between rustic and chic. Get inspired by the authentic Provence motifs!

AKVIS is pleased to introduce the new **Provence Pack** for **AKVIS Frames** and **AKVIS ArtSuite**. The frame collection includes 100 picture frames created by professional artists.

Ah, Provence! That charming region of France can boast of wonderful scenery - its beautiful rustic vineyards, honey-stone hilltop villages, rocky calanques, seductive azure Mediterranean waters, flamingo-filled lagoons, ancient monuments, olive farms and fragrant lavender fields can enchant even the most demanding visitors. Provence is a perfect place to relax and enjoy a slower pace of southern life - just imagine a walk through an old picturesque village in the late summer sunshine and a café crème and a croissant in a small street café.

That cozy and calm spirit of provincial France is also reflected in the Provence interior design style that is tremendously popular today. Its warm pastel shades, natural materials, vintage furniture, white-washed wood, floral patterns, and numerous cute shabby chic accessories from flea markets create an atmosphere of love, harmony and tranquility.

The charming Provence frame pack is an excellent way to embellish your memorable pictures with rustic French accents and turn your otherwise somewhat boring photo album into a lovely picture art gallery! You can also use these elegant frames to add a romantic touch to your Provence-themed dinner party invitations or to a wedding stationery collection that will make your big day special. Evoke southern French charm and elegance with the Provence frame pack!
